

Ready for new markets? Our Export Marketing Plan Service will position your company for growth!

SelectFlorida and the Florida SBDC Network, in partnership with the U.S. Commercial Service, are excited to offer a scholarship to assist qualified Florida “new-to-export” manufacturers and services providers to identify overseas growth strategies through the development of a customized Export Marketing Plan.

Why Export?

- Over 95% of the world’s customers are located beyond U.S. borders.
- Exporters realize higher employment growth than non-exporters.
- Most companies that export have an easier time riding out fluctuations in the U.S. economy and are more likely to stay in business.
- Export wages are typically 13–18% higher than non-export wages.

The Process

You will meet with a Florida SBDC International Trade specialist to conduct a confidential, in-depth business assessment. The Specialist will prepare and provide your company with a customized Export Marketing Plan.
